

HOW THE ALTERNATIVE **VOTE** WORKS

Rank Your Choices – Instead of just picking one candidate, you list them in order of preference (1st choice, 2nd choice, 3rd choice, and so on).

Counting Starts – Only the votes for everyone's top choice are counted.

Eliminating Candidates – If no one gets more than half the votes, the candidate with the least votes is removed from the race.

If your top choice is out, your vote goes to your next favourite candidate.

This keeps happening until one candidate has more than 50% of the votes!
