

# IFFAT ARA JAHAN

Empowering Every Voice, Embracing Every Culture!"

Hello everyone!

My name is Iffat Ara Jahan, and I am running for the Welfare and Diversity Officer position at the University of Gloucestershire. As an international student from Bangladesh, I have experienced the challenges of adjusting to a new environment, and I understand the struggles many of you face.

If elected, my primary goal will be to make student life more affordable and inclusive.

- I will advocate for reducing food prices in the university canteen,
- Ensuring that nutritious meals remain accessible.
- I will also push for more affordable accommodation options
- Better support for students seeking part-time jobs.
- Mental health and well-being are crucial,
- I will work to improve counseling services,
- Promote awareness and create a safe space where students can voice their concerns.
- I am committed to supporting underrepresented students, including those with disabilities, and meeting their needs.
- Sexual harassment has no place in our university, and I will advocate for stronger policies and awareness campaigns to ensure a safe campus for everyone.
- Additionally, I will work to break down cultural barriers,
- Fostering an inclusive environment where diversity is celebrated and every student feels at home.
